

THE IASCOE CULTIVATOR

AN UPDATE ON "HEAD TO THE HEARTLAND CONVENTION"

On November 17, IASCOE held a pre-convention meeting in the Quad Cities. We are excited to reveal that Friday night's gathering will be a private event at the John Deere Pavilion in Moline. The pavilion will be open late for our attendees to explore the exhibits and equipment. The entertainment committee is working to secure local food trucks and a band to round out what will be a highlight of the 2024 convention.
